Amendments to the Drawings:

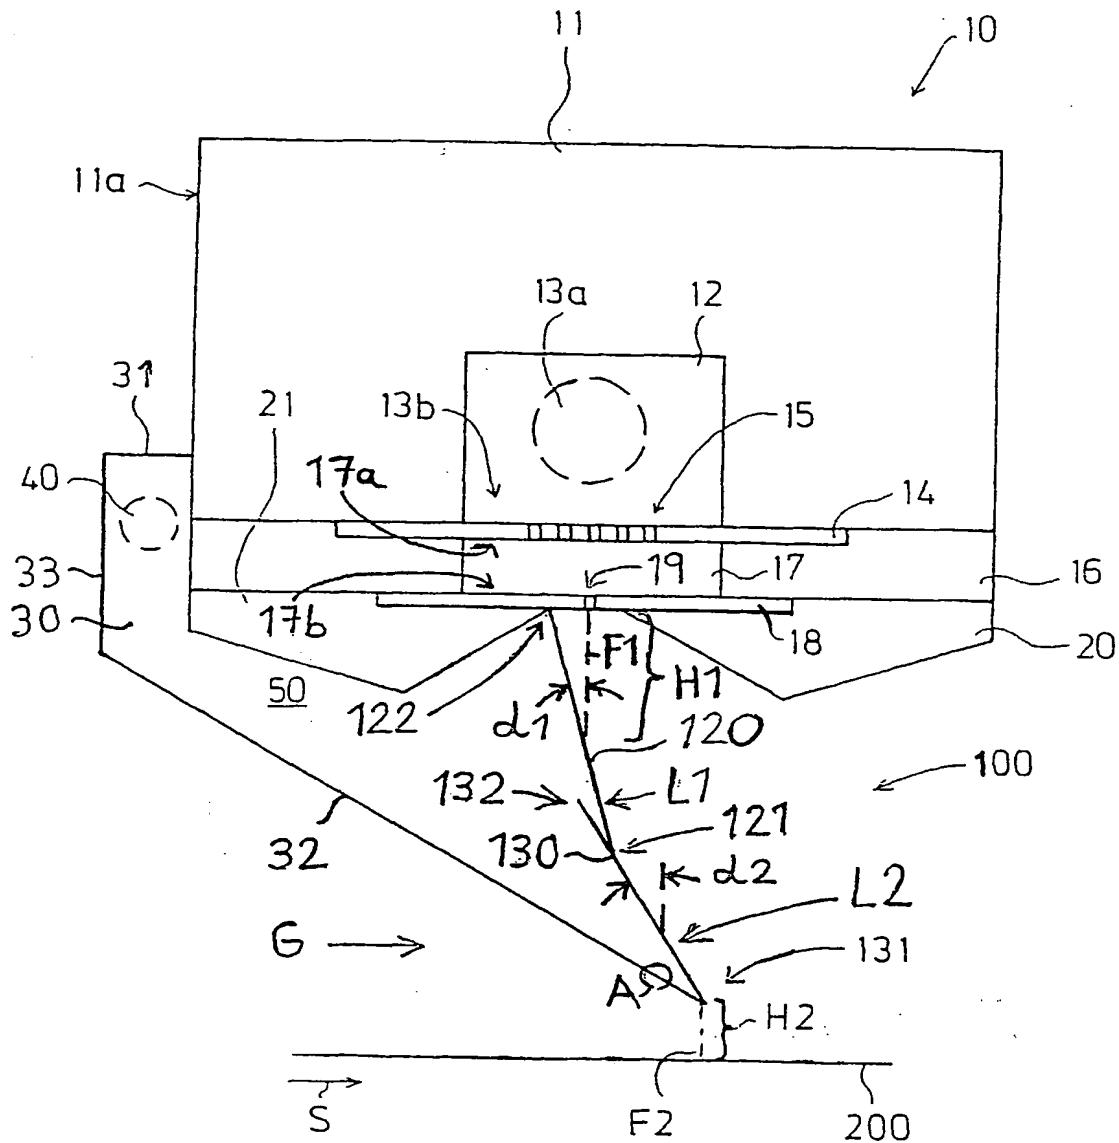

The attached sheet of drawings includes changes to the second sheet containing FIG. 2. The original figure included two views. The separate views have been broken up into two views: the main side cross-sectional view in FIG. 2, and a detail view of a portion of the oblique wall 32 in new FIG. 2A. This sheet which includes FIGS. 2 and 2A, replaces the original sheet including FIG. 2.
